

MARRIAGE RETREAT

PROVERBS 31 Man & Woman – Lessons from Their Marriage **March 11-13, 2022**

Cost \$285 per couple

We've all heard of the Proverbs 31 woman, but what about her husband? What can we learn from the Proverbs 31 man? How can the example of their marriage help our marriages today? We'll go through the scripture verse by verse using a workbook for notes, PowerPoint slides, videos, humor and music to communicate lessons from this special couple.

You can arrive any time Friday and use the pools. We will gather at about 7:30 in the conference room for refreshments. The first session starts at 7:45 PM Friday. Checkout is at 12 noon on Sunday, although you can stay and use the pool after checking out. Saturday from 11:45 AM to 6:30 PM is free time. There are 2 heated indoor pools, a large Jacuzzi, many fine outlets a few minutes away, a fine Pa Dutch restaurant on premises and an Amish farmer's market next door.

We relax, do a lot of laughing, and enjoy quality time with our mates. There will be snacks with each meeting including coffee and a free smorgasbord breakfast each morning in the Bird-In-Hand Restaurant. Everyone brings a little something to share for snacks. Free coffee and tea are always available. Each room has a small refrigerator, microwave and a coffee maker. **Send \$50 to register**, it's a great investment in your marriage. If you cancel the money will be returned. The rest is due the end of January.
