

MARRIAGE RETREAT

SERMON on the MOUNT for Marriages

March 10-12, 2023

Cost \$285 per couple

The Sermon on the Mount is Jesus' most well-known sermon. In it Jesus focuses on how we are to live with God and each other. His commands, warnings and promises about life and relationships are very relevant for today. We'll go through Matthew 5-7 verse by verse to understand these important truths and principles and focus on applying them to our marriages today. This will help us in our Christian lives as well as our marriages.

You can arrive any time Friday and use the pools. We will gather at about 7:30 PM in the conference room for refreshments. The first session starts at 7:45 PM Friday. Checkout is at 11 AM on Sunday, although you can stay and use the pool after checking out. Saturday from noon to 6:30 PM is free time. There are 2 heated indoor pools, a large Jacuzzi, many fine outlets a few minutes away, a fine Pa Dutch restaurant on premises and an Amish farmer's market next door.

We relax, do a lot of laughing, and enjoy quality time with our mates. There will be snacks with each meeting including coffee and a free smorgasbord breakfast each morning in the Bird-In-Hand Restaurant. Everyone brings a little something to share for snacks. Free coffee and tea are always available. Each room has a small refrigerator, microwave and a coffee maker. **Send \$50 to register**, it's a great investment in your marriage. If you cancel the money will be returned. The rest is due the end of January.
